

# WARMING MINI MASSAGER

Both ends of the Warming Mini Massager are perfect for extensive full-body massages or for spot-on pleasure spot stimulation. One end provides pleasure with its vibrating lay-on surface and integrated warming function while the other side provides pleasure with its large massage balls and very deep vibrations. There is a motor at either end and each motor has 10 vibration modes – they can be intuitively controlled at the push of a button. The small, easy-to-use toy is also waterproof. The Warming Mini Massager promises extremely intense and diverse pleasure during massages – whether it's being used for solo fun or with a partner!
